No. 730.—The Board of Commissioners for Hindu Religious Endowments has brought to the notice of Government that the Sri Rameswaram and Sri Kanchikuppaswami temple at Kulkathi, Coimbatore district, the annual income of which is less than Rs. 250 and thus outside the scope of the Act, is not well managed, and that the Vyasa who were formerly taking a share interest in the temple have of late tended to do so. The Board suggests that in the interests of better management it is desirable to extend to the temple all the provisions of the Madras Hindu Religious Endowments Act, 1920 (Act II of 1927). The Board is of opinion that the temple can afford to pay the contribution due to the Board and the Committee under section 46 of the Act if the revenues therefrom of endowments which used to be collected till eight years ago for the upkeep of the temple are continued as they are expected to be, if the management of the temple is placed on a proper footing. Before issuing a sanction under the proviso in section 4 of the Act as suggested by the Board, the Government desire to know whether any transfer of any worshipper of the temple is possible has any objection to urge against the application of the Act. If no valid objection is received by the Government within a month from the date of publication of this notification in the District Gazette they will proceed to issue a sanction under the proviso in section 4 of the Act applying all the provisions of the Act to the said Sri Rameswaram and Sri Kanchikuppaswami temple at Kulkathi, Coimbatore district.
